FAQs

Is this legally compliant? Yes, Drizly is the leading alcohol ecommerce platform and was built to operate legally with the three-tier system. We partner with retailers in over 28 states.

Who does the actual deliveries? Our Retail Partners maintain full control over packing and delivering the orders directly to customers in their area. In some states, we can recommend third party delivery services to add additional capacity to your store.

Are permits needed? Permit requirements vary on a state by state basis. Our retailer representatives are here to assist you in ensuring you are properly certified to deliver alcohol to customers.
